Productivity Track

WHY ATTEND?

Move beyond experimenting with AI to solve real problems. Apply AI directly to your own tasks and start seeing results immediately.

WHAT YOU WILL LEAVE WITH:

- Your AI Productivity System: A simple, personalized way to use AI daily
- 3 Ready-to-Use Workflows: draft faster, summarize smarter, and create visuals and assets with ease
- Guide AI to produce outputs that are clear, relevant, and aligned with your voice – not generic or unusable
- A Clear Plan to Keep Using AI: what tasks, when to use it, and how to build it into your routine

DAY 1

Prompting

DAY 2

Workflows

DAY 3

Integration

Summer AI Intensive 2026

June 22-24
